Stop! No more, please! It hurts!

Make it stop PLEASE make it stoooooop!!!!

Ookay... THAT was weird. Sorry 'bout that. Recently during the war, she's been using sonic weapons against the alliance--Dora--that is, not any of her other creepy cronies. Maybe I shouldn't use creepy so much as plain stupid. To start off the list, there's Sponge bob, Sanjay and Craig, Bo on the go, The Amazing World Of Gumball, Etc. Any Purely /stupid/ show or book that you can think of. We've allied the most /awesome/ shows you can think of. Star wars the Clone Wars, Slugterra, Voltron, and any others.

She slowly takes over the minds of children, defenseless children, and from there conquers all other media. One by one, they fall. I, Ashvynn Avalon, realized the danger before it was too late, and built a resistance. But let's not start here. let's start at the beginning of this story. at
